LITTLE ST. LOUIS GIRLS SMOKE

ST. LOUIS, Sept. 26.—Gov. Hadley will soon be asked to grant permission to the Missouri Woman's Christian Temperance Union to circulate a petition among the prisoners in State penal institutions, asking the voters to do away with saloons at the next election.

This announcement was made at the State Convention of the union today.

"Girls not over ten years old, in some of the anxiety homes in St. Louis are smoking cigarettes," said Mrs. E. B. Ingalls in a speech.

"Not only here, but in other parts of the state as well. I have found little girls puffing cigarettes, sometimes in their homes," she said.

Mrs. Ingalls pleaded with the delegates to use every effort in helping enforce the law which prohibits the sale of cigarettes or cigarette materials to persons less than eighteen years of age.

A woman in Walla Walla, Wash., was instantly killed while twisting a fan electric light wire from the body of her small son. The child was unharmed.
